The terms "You" and "User" as used herein refer to all individuals and/or entities accessing the ADGI Site and/or using ADGI Products for any reason, whether authorized or unauthorized to do so.

Limited License

ADGI holds the copyrights to all the materials on the Site. Except as stated herein, none of the materials on the Site may be copied, reproduced, distributed, republished, downloaded, displayed, posted or transmitted in any form by any means, including electronic, mechanical, photocopying, recording or otherwise, without the prior written consent of ADGI. The User may print, in hard copy, portions of the Site only if the User is an employee of a bona fide client of ADGI or one of its agents. The use of any such material for any other reason, on any other website, or the modification, distribution or republication of this material without prior written permission from ADGI is strictly prohibited.

This limited license terminates automatically if you breach any of the terms herein. In addition, ADGI may terminate this license without notice at any time for any reason.

Unauthorized use of any material on these Sites may violate copyright laws, trademark laws, the laws of privacy and publicity, communications regulations and statutes, or other applicable laws, rules or regulations, and may subject you to civil liability and/or criminal penalties.

If you have been issued with a Password by ADGI you are a "User" of the Site and are hereby granted a nonexclusive, non-transferable license to use the ADGI Products so long as the organization with which you are employed remains a bona fide client of ADGI or its authorized agents.

Proprietary Rights

User acknowledges that the Site and ADGI Products, including Organizational Management System (OMS), JAX The Job Analysis Expert, and Interaction Styles are the property of ADGI and that ADGI retains all rights, title, and interest in and to the Site and these products, including without limitation all copyrights, intellectual property, and other proprietary rights. User

further acknowledges that the Site and the ADGI Products contain information, data, software, graphs, typefaces, graphics, and other material ("Content") that are protected by copyrights, trademarks, trade secrets, or other proprietary rights, and that these rights are valid and protected in all forms, media and technologies existing now or hereinafter developed. ADGI holds the copyrights to all of the Content.

User may not, nor authorize or permit any third party, to modify, remove, delete, augment, add to, publish, transmit, participate in the transfer or sale of, create derivative works from, or in any way exploit any of the Content, in whole or in part. Except as permitted by the fair use privilege under the U.S. copyright laws (see, e.g., 17 U.S.C. Section 107), User may not upload, post, reproduce, or distribute in any way any part of Content without obtaining permission from ADGI.

Except and only to the extent that such activity is expressly permitted by applicable law, User may not, nor authorize or permit any third party to, reverse engineer, reverse assemble, decompile, disassemble or otherwise apply any procedure or process to any ADGI Products to ascertain, derive, and/or appropriate for any reason or purpose, the source code, algorithms, underlying data or structure, or trade secrets enabling or contained within the products.

Trademarks

The ADGI Products and any Content on the Site, or any web site owned, operated, or controlled by ADGI are all trademarks and the property of ADGI and shall not be copied, reproduced, republished, posted, transmitted or distributed in any way without a written permission from ADGI. All rights reserved.

Disclaimers and Limitation of Liability

User expressly agrees that use of the Site and/or ADGI Products is at the User's sole risk. The Site and the ADGI Products are provided by ADGI on an "As Is" and "As Available" basis. ADGI makes no representations or warranties of any kind, express or implied, as to the operation of the sites, the information, content, materials or products, included on the Site, or the ADGI Products. To the full extent permissible by applicable law, ADGI disclaims all warranties, express or implied, including but not limited to, implied warranties of merchantability and fitness for a particular purpose, with respect to the Site or the ADGI Products. ADGI will not be liable for any damages of any kind arising from the use of these Site or the ADGI Products, including but not limited to direct, indirect, incidental punitive and consequential damages. No oral advice or written information given by ADGI nor its affiliates, nor any of their officers, directors, employees, agents, providers, or the like, shall create a warranty; nor shall user rely on any such information or advice. Further, neither ADGI, nor its affiliates or licensed distributors, nor any of their officers, directors, or employees, agents, third-party content providers, service providers, or the like, represent or warrant that the sites or the assessment products (including any data contained therein) will meet all of the User's requirements or always be available, accessible, uninterrupted, timely, secure, accurate, reliable, complete, or error-free.

Under no circumstances shall ADGI or any other party involved in creating, producing, or distributing the Site or the ADGI Products be liable for any direct, indirect, incidental, special, or consequential damages that result from the use of or inability to use the Site or the ADGI Products including but not limited to reliance by a User on any information obtained from the Site or the ADGI Products, or that result from mistakes, omissions, interruptions, deletion of files or email, errors, defects, viruses, delays in operation or transmission, or any failure of performance, whether or not resulting from acts of God, communications failure, theft, destruction, or unauthorized access to the Site or the ADGI Products or other ADGI's records, programs, or services. In any event, ADGI's cumulative liability to the User or any other party for any loss or damages resulting from any claims, demands, or actions arising out of or relating to this license shall not exceed the amounts paid by the User during the current twelve months license for the use of the ADGI Products. User hereby releases ADGI from any and all obligations, liabilities, and claims in excess of this limitation. User hereby acknowledges that this paragraph shall apply to all content, products, and services available through the Site, including but not limited to the ADGI Products. Because some jurisdictions do not allow the exclusion or limitation of liability for consequential or incidental damages, in such entities liability is limited to the fullest extent permitted by law.

No Professional Advice

The ADGI Products are designed to provide information only. Neither ADGI, directly or indirectly through its distributors and agents, nor any of its ADGI Products are provided as a means of providing or rendering professional advice or consulting services.

Indemnification

User hereby agrees to defend, indemnify and hold harmless ADGI and its business partners, third-party suppliers and providers, licensors, officers, directors, employees, distributors and agents against any damages, losses, liabilities, settlements, and expenses (including without limitation costs and reasonable attorneys' fees) in connection with any claim or action that (i) arises from any alleged breach of this Agreement, (ii) arises from the content or effects of any distributed reports developed from the ADGI Products, or (iii) arises from User's communication or use of information developed from the ADGI Products with any third party, or (iv) otherwise arises from or relates to your use of the ADGI Products. In addition, User acknowledges and agrees that ADGI has the right to seek damages when User uses the ADGI Products for unlawful purposes, in an unlawful manner, and/or in a manner inconsistent with the terms of this Agreement, and that such damages may include, without limitation, direct, indirect, special, incidental, cover, reliance and/or consequential damages.

Third-Party Websites and Software

ADGI makes no claim or representation regarding, and accepts no responsibility for, the quality, content, nature, or reliability of (a) third-party websites accessible by hyperlinks from the Site or from the ADGI Products or (b) any software contained on these third-party websites. ADGI is

providing these links to Users only as a convenience, and the inclusion of any link does not imply affiliation, endorsement, or adoption by ADGI of the site or any software or information contained therein. When leaving the Site, Users should be aware that ADGI's terms and policies no longer govern, and, therefore, should review the applicable terms and policies, including privacy and data gathering practices, of that website.

Privacy Policy

In accordance with the terms of ADGI's Privacy Policy, ADGI respects the privacy of its Users. Please review carefully our Privacy Statement posted on the Site.

Access to Password-Protected or Secure Areas

ADGI may restrict some areas of the Site to authorized users only. Access to and use of areas of the Site that are password-protected and/or secure is restricted to such authorized Users only. Unauthorized individuals attempting to access these areas may be subject to civil liability and criminal penalties.

Termination of Usage

ADGI may terminate a User's access, or suspend any User's access to all or part of the Site, including the ADGI Products, without notice, for any conduct that ADGI, in its sole discretion, believes is in violation of any applicable law or is harmful to the interests of another User, any third-party, a service provider, a licensed distributor or agent, or ADGI.

Applicable Law

The Site is created by and controlled by ADGI of Pinehurst North Carolina. As such, the laws of the State of North Carolina will govern these disclaimers, terms, and conditions, without giving effect to any principles of conflicts of laws. Any action brought to enforce or interpret any aspect of these Terms of Use shall be held in North Carolina. ADGI reserves the right to make changes to its Site and these disclaimers, terms and conditions at any time. The User hereby irrevocably and unconditionally consents to submit to the exclusive jurisdiction of the courts of the State of North Carolina for any litigation arising out of or relating to use of or purchase made through the Site, including the ADGI Products, (and agrees not to commence any litigation relating thereto except in such courts), waives any objection to the laying of venue of any such litigation in the North Carolina Courts and agrees not to plead or claim in any North Carolina Court that such litigation brought therein has been brought in an inconvenient forum.

Severability

The provisions of these Terms of Use are intended to be severable. If for any reason any provision of these Terms of Use shall be held invalid or unenforceable in whole or in part in any jurisdiction, such provision shall, as to such jurisdiction, be ineffective to the extent of such

invalidity or unenforceability without in any manner affecting the validity or enforceability thereof in any other jurisdiction or the remaining provisions hereof in any jurisdiction.

Acknowledgement

The terms set forth in the Terms of Use, including all documents referenced herein, constitute the final, complete and exclusive agreement between User and ADGI regarding User's relationship with ADGI and the use of the Site and the ADGI Products and may not be contradicted, explained or supplemented by evidence of any prior agreement, any contemporaneous oral agreement, or any consistent additional terms. These Terms of Use supersede any prior statements or representations.
